

Configuration Directions for Android devices

For remote access to the UNIC Library e-resources

- Go to “**Settings**” app
- Select “**Connections**”
- In the “**Wi-Fi**” screen, tap and hold the wireless network that you use
- Select “**Manage network settings**” and then “**Show advanced options**”
- Change the “**Proxy**” to “**Manual**”
- In the “**Proxy hostname**” box type: **proxy.unic.ac.cy**
- In the “**Proxy Port**” box type: **8080**
- Select “**Use ID and password**” or “**Authenticate Server**” and type your proxy **username** and **password**
- Select “**Save**”
- Open the Library’s webpage www.library.unic.ac.cy and use the available e-resources

When you have finished searching Library electronic resources, be sure to go back to the *settings* and change the *proxy* option to “**None**”.
